A Christmas Experience

Join us on **Thursday, December 14th** as we head to Crossroads Church, in Oakley, to see *Awaited*, a powerful and creative re-telling of the Christmas story.

It's a story full of risk, rejection, and unexpected rescue by a long-awaited King. It is the story of how God relentlessly pursues each of us with his love and freedom, no matter who we are, what we've lived through, or where we've come from. It is a story that has the power to change us all.

This year is the **last year** for *Awaited*, so don't miss it! Free tickets are available at the Welcome Center for you and your family.

Need transportation? No problem! **We have a bus leaving from CityLink at 5:30pm**. The doors for the show will open at 6pm.

Visit the Welcome Center to sign up for tickets!

Seeing Change

Mark and Jeanne first came to CityLink for ChangingGears and SmartMoney, but they quickly became interested in Supporting Services too. They were both in need of glasses, and were thrilled to learn they could get them through the Cincinnati Health Department.

They also saw the dentist, and said that the staff has been very friendly.

“They treat you really well,” says Jeanne. “You come in here and you’re welcomed so warmly. We’ve never had a bad experience.”

As an added bonus, clients are also able to make appointments for their immediate families, so Mark and Jeanne have been able to bring their sons in for teeth cleanings and eye check-ups.

Having a health center on site has made engaging in services even easier. Mark and Jeanne are able to focus on their classes without worrying about how to fit appointments into their schedule.

“If people want to help themselves, CityLink gives them the opportunity to succeed,” says Mark.

They are eager to begin meeting with their financial counselor at SmartMoney and continue towards their ChangingGears goal.
